# THE ANONYMOUS PEOPLE

**RECOVERY IS OUT - TO CHANGE THE ADDICTION  
CONVERSATION FROM - PROBLEMS TO SOLUTIONS**

## **WHAT MAKES THIS A GROUND-BREAKING DOCUMENTARY ON ADDICTION & RECOVERY?**

*The Anonymous People* is a feature documentary film about the more than 23 million Americans living in long-term recovery from addiction to alcohol and other drugs.

The moving story of *The Anonymous People* is told through the faces and voices of citizens, leaders, volunteers, corporate executives, public figures, and celebrities who are laying it all on the line to save the lives of others just like them. This passionate new public recovery movement aims to transform public opinion, engage communities and elected officials, and finally shift problematic policy toward lasting solutions.

**Here in Southern Saratoga County, we can be part of the conversation.**

**Discussion facilitated by Recovery Advocacy in Saratoga and  
the Prevention Council following the documentary.**

**Many thanks to the Clifton Park Halfmoon Library and the  
Mechanicville District Public Library for hosting these events.**
